AFTER

Orion® 36" w/Surround Kit

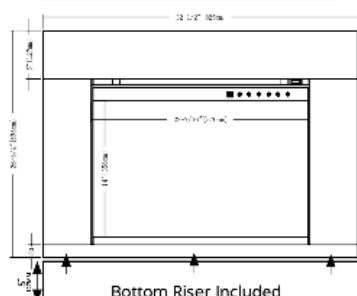

Update your old fireplace with this virtual electric fireplace insert. With efficient heat and beautiful flames, designed as an alternative to a wood-burning fireplace the Orion® Traditional provides a stunning yet affordable substitute. The insert can provide supplemental zone heating up to 500 square feet and can be used with or without heat for year-round enjoyment. These inserts don't require building a fire, and are even easier to start and maintain. Insert surround kits are available in 4", 5", 6" & 8" pieces to customize your existing fireplace with an Orion® model with a classic clean-look. Insert surround sets are for 26", 30" & 36" models only. Designed to fit into most existing wood burning fireplaces.

TRUWOOD™ PREMIUM TIMBER

ORION®

ORION® MULTI 76" WITH 96" - 100" TRUWOOD PREMIUM TIMBER KIT, LARGE

TRUWOOD PREMIUM TIMBER upgrade kits are authentic wood log sets meticulously handcrafted. Each log is carefully selected for its unique quality and character, ensuring an unparalleled level of realism that brings the warmth and charm of a genuine wood-burning fire to electric fireplaces without the usual hassle. TruWood Premium Timber was designed to complement and enhance the beauty of Modern Flames electric fireplaces.

FEATURES

Authentic Appearance

Each log showcases natural bark and a charred split for a realistic appearance.

Handcrafted Quality

Every log is handmade and handpicked, guaranteeing superior craftsmanship.

Unique Charring

Our charring technique adds life-like detail, enhancing the look of Modern Flames' electric fireplaces.

Sustainable Choice

Experience the beauty of heat-treated authentic wood with an eco-friendly twist, making it a sustainable addition to your home.
