

TRUWOOD™ PREMIUM TIMBER

ORION® MULTI

ORION® MULTI 76" WITH 68" - 80" TRUWOOD™ PREMIUM TIMBER KIT, LARGE

TRUWOOD™ PREMIUM TIMBER upgrade kits are authentic, Australian-made log sets, expertly handcrafted from Australian hardwood. Each log is carefully chosen for its distinct quality and character, creating an unmatched level of realism that brings the warmth and charm of a real wood-burning fire to electric fireplaces—without the hassle. Designed to enhance and complement Modern Flames electric fireplaces, Truwood Premium Timber offers a premium, natural aesthetic.

FEATURES

Authentic Appearance

Each log showcases natural bark and a charred split for a realistic appearance.

Handcrafted Quality

Every log is handmade and handpicked, guaranteeing superior craftsmanship.

Unique Charring

Our charring technique adds life-like detail, enhancing the look of Modern Flames' electric fireplaces.

Sustainable Choice

Proudly made in Australia from sustainable Australian hardwood to bring the beauty and realism of a natural wood-burning fire to your electric fireplace.
